

# Day Trips

Fast, Service Orientated and Safes

Our day trip speed boat "Nawanoppa" depart daily to the Similan and Koh Islands at 8 am from the Khao Lak jetty of Taplamu.

The Nawanoppa are equipped with three Yamaha 2 stroke outboard engines. Travel in only one and a half hours to the Similan Islands National Park.

Upon arrival you will be transferred to our diving boat PP Harmony Our friendly crew will welcome you onboard with coffee and tea. A main briefing will follow before our snorkel guests depart on the Nawanoppa explore the Calm and shallow reefs for non diving activities. PP Harmony spacious kitting up area is then available for divers to set up their equipment and listen to a detailed dive briefing before plunging into the beautiful clear waters whilst PP Harmony waits patiently for their return.

With extended surface intervals there is plenty of time to sunbathe on our spacious sundeck, snorkel around the boat or just relax and read one of the many fish books available.

After lunch snorkelers will once again jet off to another exotic location whilst the divers, having their tanks already filled, prepare for their second trip into wonderland.

After the days excitement, the Nawanoppa will be ready to escort the day trippers back to Khao Lak, returning at around 4:30 pm. Our transfer cars will be waiting for you to transfer you back to your hotel or resort.

This is the best way to ensure that everyone will have a fantastic time enjoying the treasures of the Andaman Sea, Thailand.
